Reminders to Students and Parents:

- The last day of school will be a 5 hour day on May 26th. Report cards will also be sent home that day.
- Please visit the classroom website for summer practice information!
- The students will be bringing their supplies home throughout the week. Please help them to remember to empty their backpack each night.

Thank you

How can it be? This is my last newsletter for the 2015-2016 school year!

Please let me take this opportunity to thank you for all the support you have given me this year as I worked with your child. It is this teamwork that has helped make the year a success for the students. I have truly enjoyed teaching each and every child. They have grown and blossomed right before my eyes! So, from the bottom of my heart, I thank you all! Please do not hesitate to contact me with any questions or concerns at jruggeri@min201.org.

Extra Summer Practice

I cannot stress enough the importance of daily reading over the summer. The children have gained so many skills during first grade. Many of these skills can slip over summer break if they are not practiced regularly. I hope you will take advantage of summer reading opportunities at our local library. Writing is another way to put those skills to work. Keeping a journal and a reading response log are easy ways to practice. I'd also like to see the children practice the math skills we have learned.

I have posted some summer practice packets for reading, math and handwriting on our classroom website at jruggeri.weebly.com. Please take a moment to print these out for your child to complete over the summer in order to get ready for second grade!
